YOU'RE TINY, EVEN THOUGH YOUR NAME IS "TOORU"!
TOORU: "TALL" ROMANIZED
SO I USED THE POLITEST ONE I COULD MUSTER.

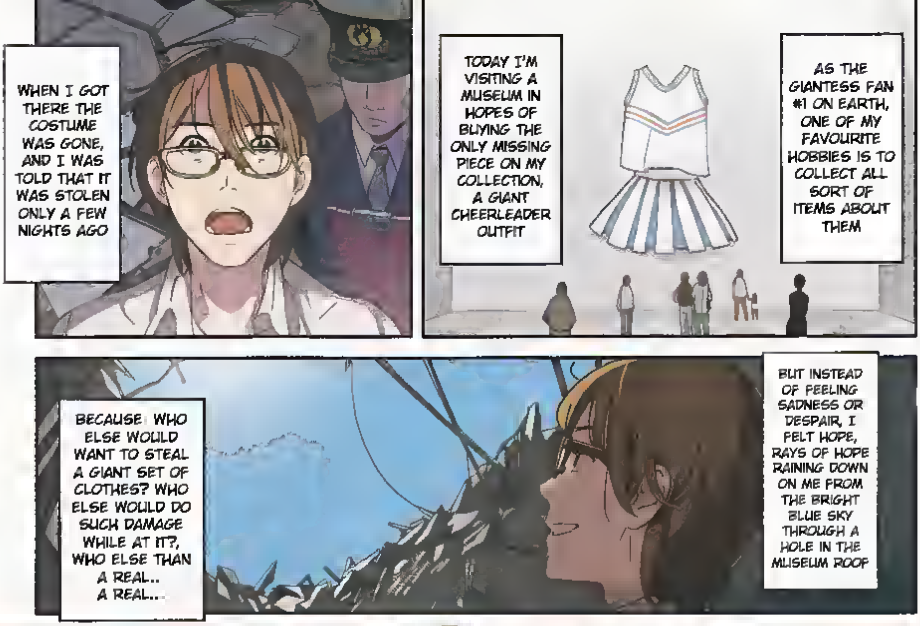
the wind feels so nice
THAT'S YOUR ONLY SHIRT, ISN'T IT?
SORRY!
NOT TOO BAD, HUH? IN THE OLD DAYS, GIANTS USED TO MAKE MOUNTAINS AND LAKES, TOO!
WITH A BODY THAT CAN GROW PLANTS, I'M SURE THERE'LL BE A DEMAND FOR YOU IN THE FORESTRY INDUSTRY!
WAH
AT THE VERY LEAST, YOU CAN REACH TALL PLACES, SAVE DUMB DOGS, AND...
THIS!
ぶちち

AHA, DUMMY...
NOT REALLY...
I'VE JUST BEEN THINKING I WAS THE REASON YOU WEREN'T COMING TO SCHOOL...
WHAT'S UP WITH YOU? YOU'RE A LOT NICER THAN YOU WERE AT SCHOOL.
うわはははは
YOU'LL NEED ME TOO, YOU KNOW? IN CASE YOU GET ITCHY AGAIN, I CAN PULL THOSE PLANTS OUT!
EVEN FROM YOUR CHEST OR BUTT!
BUT THAT WAS A NICE STORY! MAKING MOUNTAINS AND LAKES SOUNDS FUN!
ぴん
は…
YOU PERVERT!



WHEN I GOT THERE THE COSTUME WAS GONE, AND I WAS TOLD THAT IT WAS STOLEN ONLY A FEW NIGHTS AGO
TODAY I'M VISITING A MUSEUM IN HOPES OF BUYING THE ONLY MISSING PIECE ON MY COLLECTION, A GIANT CHEERLEADER OUTFIT
AS THE GIANTESS FAN #1 ON EARTH, ONE OF MY FAVOURITE HOBBIES IS TO COLLECT ALL SORT OF ITEMS ABOUT THEM
BECAUSE: WHO ELSE WOULD WANT TO STEAL A GIANT SET OF CLOTHES? WHO ELSE WOULD DO SUCH DAMAGE WHILE AT IT?, WHO ELSE THAN A REAL... A REAL...
BUT INSTEAD OF FEELING SADNESS OR DESPAIR, I FELT HOPE, RAYS OF HOPE RAINING DOWN ON ME FROM THE BRIGHT BLUE SKY THROUGH A HOLE IN THE MUSEUM ROOF

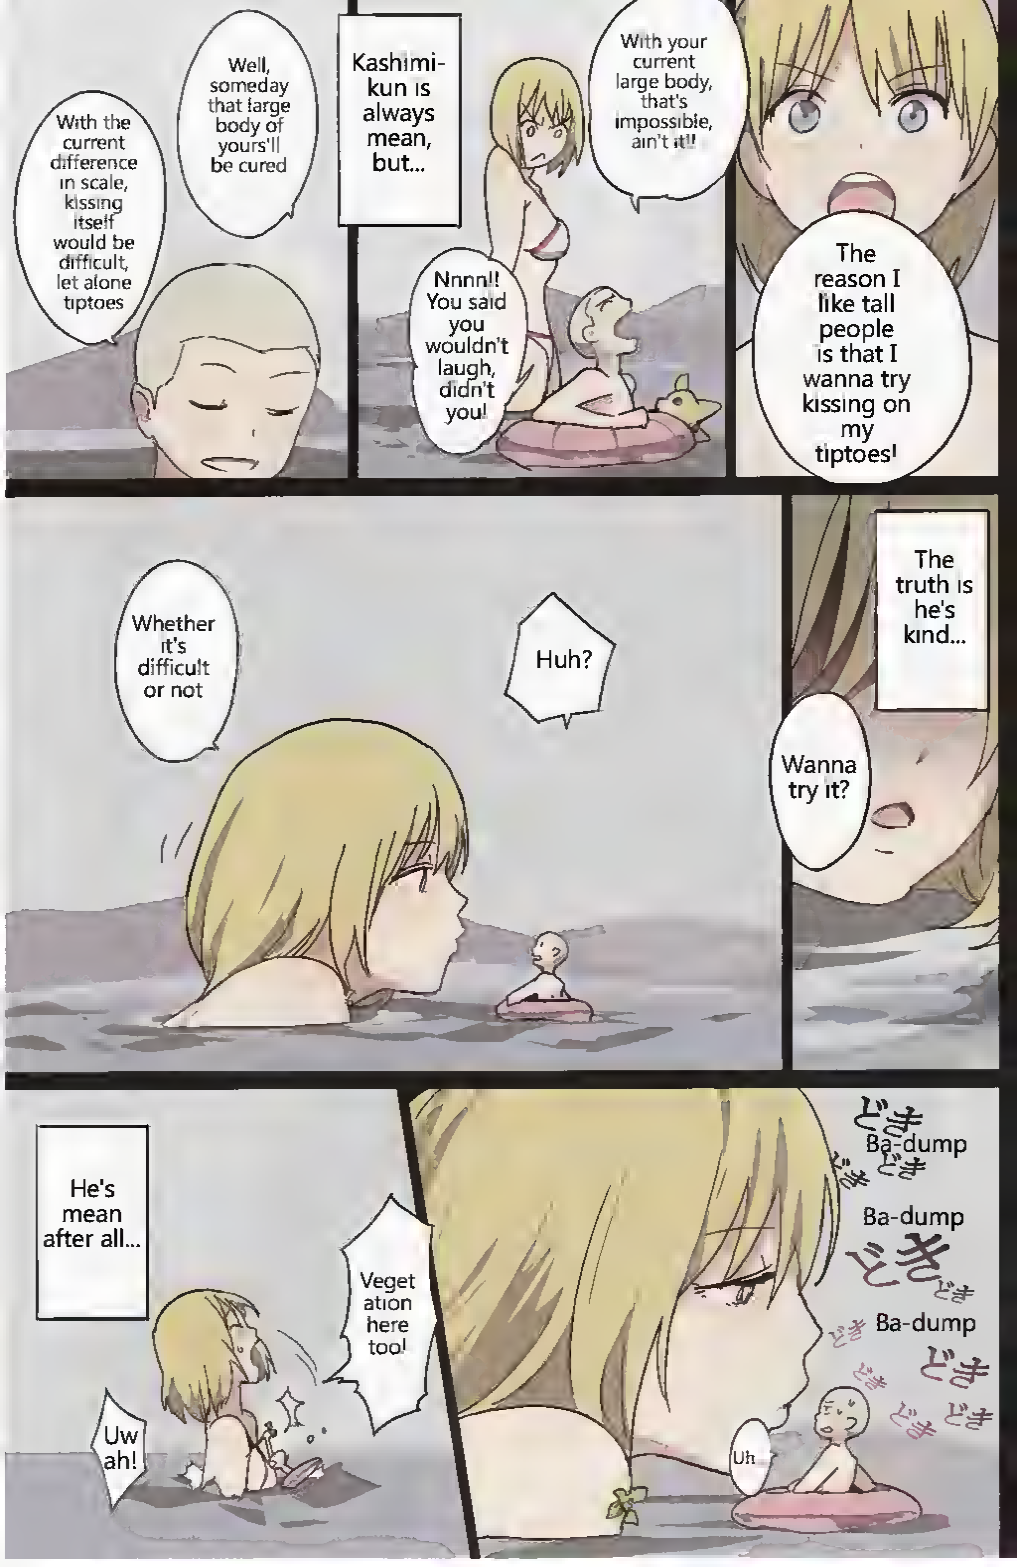
解き明かされる「巨神症」の謎。
スケール越えの最終決戦!!
Can't you hear me?

I who have followed giant footprints around the world, realized certain commonalities
I understand even things that are unknown to famous physicians around the world. Especially relating to Giant God Disease
Heh heh heh
Hey, Huygens!! You really can't do anything about it?
To artificially reproduce that type 2 sound
ふぅ…
I heard it at many historical ruins Sound length type 2
The sound of the wind passing a certain cave
Sound, you see!
Sound?
I created this device!!

By the high sound a seed became a great tree eventually it became a forest
In the cave there was a stone tablet on it was written this
Did you know? With a sound of the same frequency as an underground tremor, the cells activate
The key to Giant God Disease is also sound... It's sound!
By the low sound the great tree remained a great tree longer
This "seed" is a human being like Tanita who possesses the nature of a giant.
She who was a "seed" becoming a "great tree" by hearing the "high sound", is surely nearing a "forest"—
My device can take her from this dumb condition covered all over with vegetation
And revive her vigorous giant condition from before!
Hence the "low sound"!
かちっ
And so, switch--
HIGH
LOW
An!
ON!!



With the current difference in scale, kissing itself would be difficult, let alone tiptoes
Well, someday that large body of yours'll be cured
Kashimi-kun is always mean, but...
Nnnn!! You said you wouldn't laugh, didn't you!
With your current large body, that's impossible, ain't it!!
The reason I like tall people is that I wanna try kissing on my tiptoes!
Whether it's difficult or not
Huh?
The truth is he's kind...
Wanna try it?
He's mean after all...
Uw ah!
Veget ation here too!
Uh
Ba-dump
Ba-dump
Ba-dump

ぎうん
ぎうん
That device... It's a failure, isn't it?
That can't be! Its efficacy has already been proven!
ぎうん
……
ぎう
It might have no effect...
Perhaps... In her unconscious state...
Hmm
Hmm
Eh?!
You! Turn her around a bit with some clever line

Your breasts are huge!
ぎゅん
Hey! Stop gargantuwoman!
ぎゅん
You...
ぎゅん
Jeez... You're a useless boyfriend, aren't you
Guess it can't be helped.. Let's just leave her like this until she returns to normal
I'm not her boyfriend!
Probably
Definitely
For real.
Sh-sh-sh-shaddup!

Sigh...
Wait!... Explain what's going on here...
Huh!?
I'm going home
From a giant that has fulfilled its duty, a "seed"--
On the tablet was also written this
From the great tree that became a forest a seed falls
The fallen seed once again awaits its season
In other words a human returned to original size will fall
I don't know who started it, but it's well-done
And then once again it will await its duty; recycling, you know

Because there's no point if she returns to her original size, right?
?
Why did you keep quiet about such an important thing...
But a mythical 18-meter model, that's why
What I want isn't a commonplace 180cm model
Hey hey hey, don't break it, will you~!?
Wah!
どんっ
I was an idiot for asking you!!

I want to cure her quickly!
Can you hear me! An!
An seemed fine but she was always perplexed by her Giant God Disease body
From now on, I'll become taller!
Tall enou gh...
ぴくっ
ざっ
I don't know if it's because of that large body, but--
Tall enough that when you kiss me, you'll be on tiptoes!
I want to become taller too!!

Ah- wait!

Yeah, it can't be helped
Seems like fun–
